THE NATIONAL BEAGLE CLUB
OF AMERICA

NEW YORK, October 1, 1912.

The Twenty-third Annual Field Trials of the National Beagle Club of America will be held at Shadwell, Va., commencing on November 7, 1912, and continuing until all the classes have been run.

Shadwell is in Albemarle County, Va., about four miles east of Charlottesville, twenty miles west of Gordonsville, Va., and one hundred and ten miles southwest of Washington, D. C., on the Chesapeake & Ohio Railroad, and is reached from Washington by through train to Gordonsville or Charlottesville, and there changing for the local train for Shadwell.

The headquarters of the Club during the trials will be at "Hunters' Hall," the property of Mr. H. A. S. Hamilton, about one mile from the railroad station at Shadwell.

The rates during the trials will be two dollars per day. Good kennel accommodations and feed for the beagles will be furnished by the Club.

The trials will start on Thursday morning, November 7th, with the running of the Pack Stakes. It is necessary therefore that all dogs entered in these stakes should arrive not later than Wednesday evening, November 6th, 1912. Dogs entered in the other classes and entries for the bench show must be on the grounds on or before Sunday morning, November 10th, at nine o'clock.

In connection with the trials a bench show will be held under A. K. C. Rules, on November 10th.

Premium lists for the bench show and field trials may be had upon application to the secretary.

Hotel accommodations can be secured in Charlottesville, Va., by those preferring hotel accommodations to the Club Headquarters, the distance from Charlottesville to Club headquarters being about four miles.

The committee would deem it a favor if you will notify the secretary as soon as possible whether you will attend the trials, make the Club's headquarters your headquarters, and the number of beagles which you will enter, so that the committee may arrange accommodations for you and your dogs.
